

# Fastener Kits for Stainless Steel Door & Appliance Handles

## Appliance Panel Mount

Order EXT handle and 2 ZMAP

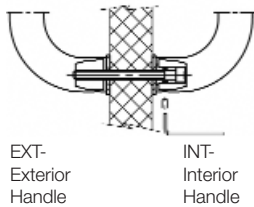

If mounting the handle to an appliance panel front, a fastener kit is not necessary. Please indicate the thickness of the panel and order 2 appliance handle screws.  
(2 x Ref. No. ZMAP)

## Kit 2 - Through Mount

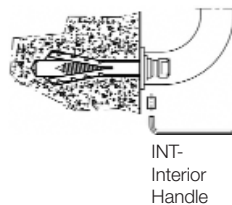

Order EXT handle and Kit 2

If bolting through a door (where you have access from the rear).

## Kit 4 - Back-to-Back

Order EXT handle, INT handle and Kit 4

## Kit 5 - Front Mount

Order INT handle and Kit 5
